

Indian Fields PTO

Women's History Month

Let's Learn Together!

We hope you'll participate in this activity aimed at allowing students to practice their research + presentation skills while sharing knowledge.

- * Research the life and contributions of a woman (or group of women) in history. Make sure to share the impact that they have had. Students are encouraged to research someone that they previously did not know.
- * Create a 1-2 minute presentation or share work about the person you have selected and post it our Padlet (QR Code below). Share information about their background, their accomplishments, and the impact that they have had.
- * Assistance from family members (and even teachers) is encouraged.
- * Videos and worksheets can be posted beginning Monday, March 8th and continue through Friday, March 19th. Posts will be approved within 72 hours of being posted.
- * We will encourage everyone to review each other's work and post positive comments beginning the week of March 20th.
- * ALL participants will receive a small token of appreciation for their work. We will randomly raffle one Indian Fields t-shirt (sizes Youth Small, Youth Medium, and Adult Small) to a participant from each grade.
